

CLARION CREATIONS

dance up a storm!

Materials for Class:

The following materials are required at all dance classes:

- Dance shoes*
- Water bottle
- 1" 3-ring binder – **This is required for ALL dancers – even beginners.** Students will be giving a lesson sheet each week with steps and activities. These sheets contain valuable information and a reference for practice at home.
- White petticoat or **an old apron** for practicing national dances. BEGINNER DANCERS DON'T NEED THIS UNTIL JANUARY
- Students must wear shorts or a skort, knee socks and a t-shirt for dancing. All dancers will have a uniform and may wear dance uniform to classes. Dancers do not have to wear the dance shirt and socks, and might wish to save them for parades and other events.
- Students may wear long pants/shirt for the warm up only.
- Jig shoes – INTERMEDIATE, PREMIER AND PERFORMANCE CHOREOGRAPHY CLASS DANCERS ONLY

*First year students may wear nylon shoes, or ballet shoes. Second year and above need proper Highland dance ghillies. Speak to Genevieve if you have questions about appropriate footwear.

Costumes for Concerts:

Students performing in dance concerts do not have to wear the full Highland costume. Beginner dancers are asked to wear a tartan skirt, white blouse or shirt and white knee socks for all concerts. **Dancers in third year and above should have full Highland costume.** Genevieve has a lending library of dance skirts and kilts available on request.
